**P. S. LYNGDOH,**  
Chief Engineer (W.R.),  
Meghalaya, Shillong.

Shillong, the 18th January, 2012.

**No.CE/WRD-889/2011-12/165.**—The office of the Water Resources Development Agency, Shillong invites Expression of Interest (E.O.I) from the consultants/ firms to undertake preparation of Detailed Project Reports on construction of Jalkunds (micro- water harvesting structures) in the state of Meghalaya.

Details may be obtained from the Office of the undersigned during Working hours from 13th January, 2012 upto 27th January, 2012 on payment of ₹ 100/- (Rupees one hundred) only (Non Refundable) per set and also may be downloaded from the website of the Water Resources Department ([www. Megwaterresources.gov.in](http://www.Megwaterresources.gov.in)) and the same may be submitted to the Department along with E.O.I. enclosing Indian Postal Order (IPO) of ₹ 100/- (Rupees one hundred) only (Non Refundable) per set.

The last day for submission of EOI is on 27th January, 2012 upto 2 p.m. and to be opened on the same date and time in presence of the consultants or their authorized representatives who would like to present.

### **Background and Project Information.**

In order to preserve the Water Resources that is available abundant during the monsoon for utilization during the lean periods, it is proposed to harvest the rain water in structure such as Jalkunds/ Micro water harvesting structures.

It is proposed to construct Jalkunds/ Micro water harvesting structures in all the seven districts of the state with priority to be given to areas where there are signs of water scarcity and where there are adverse effect on the water source due to deforestation, Jhum cultivation, coal mining etc.

### **TERMS AND CONDITIONS**

#### **1. Supporting documents and information to be submitted:-**

The interested parties are to submit the following information/ documents:

- (a) Profile of the party with current financial position, details of promoters background and management structure.
- (b) Comprehensive plan for fulfilling the set objectives.
- (c) Details of the infrastructure available for carrying out the assignment.
- (d) Past experience of the same or similar nature of work and work in hand with brief details.
- (e) Experience of key personal, qualification and relevant experience.
- (f) Financial strength of the consultant – turnover figure for the last 3(three) years income/profit of that period. in
- (g) Experience, if any, of working the North Eastern Region with full details.

#### **2. The scope of works and objectives:**

- (a) Field investigation namely Topographical Survey, Identification and mapping of all the favourable/ feasible sites and exact location thereof.
  - (b) Design of suitable type of Jalkunds according to ground reality with multi-purpose objectives which shall be either of the following.
    - (1) Jalkunds Type I
      - (a) Dug out pond
      - (b) Impounding pond (Clay core wall)
      - (c) Impounding pond (C.C core wall)
      - (d) Impounding pond (R.C.C core wall)
- For Type I above care should be taken to ensure that they are not located in geologically weak areas that will lead to large seepage and loss of stored water.
- (c) Formulation of detailed plans and estimates.
  - (d) Capacity building for farmers etc.
  - (e) Suggest measures for effective monitoring and evaluation of completed Jalkunds.
  - (f) Benefit Cost Ratio Analysis by adopting high value addition crops according to agro-climatic zone which may also include fisheries, rearing of ducks etc.

  - (h) Structure should be innovative, cost effective, durable, environmental friendly and acceptable by the farmers/ beneficiaries/ communities.

### **3. Modifications / Correction**

3.1 The consultant/firm will be liable to correct, modify or even change the drawing design etc. if any found required in course of scrutiny at any level till the final approval is accorded by the competent authority without any extra cost.

### **4. Security Deposit**

4.1 The consultant will be required to furnish Security Deposit for the fulfillment of his contract within 20(Twenty) days from the date of signing agreement. The total Security Deposit will be @ 10 % (ten percent) of the gross- payments to make to the consultant. However, a minimum Security Deposit of 2 % (two percent) of the value o work will have to be furnished by the successful consultant at the time of signing of the formal tender agreement, before issue of the final work order. The balance of the Security Deposit shall be recovered from the consultant by deduction @ 8 % (eight percent) from all bills.

4.2 The Security Deposit (2%) shall be approved form i.e. Call Deposit (CD)/National Saving Certificate (NSC)/FDR/Bank Guarantee (BG) from a Scheduled Commercial Bank of India duly pledged to the C.E.O, Meghalaya, Water Resources Development Agency, Shillong.

4.3 The Security Deposit will be retained by the Department for a period of 6(six) months after the work is successfully implemented and will thereafter be released.

4.4 The Security Deposit upto a maximum of 10 % (ten percent) of lumpsum quoted shall be forfeited if the successful quotationer does not complete the work within the stipulated time of the entire satisfaction of the Engineer-in-charge. There shall be no liability on the Department to pay any interest on the Security Deposit furnished by or recovered from the quotationer.

### **5. Mode of Payment**

5.1 All the payments will be made either by Demand Draft or by cheque in favour of successful firms / Consultants.

5.2 Payment Schedule for the work will be as follows:

- (a) 20% on submission of Inception Report.
- (b) 30% on submission of the Draft Report.
- (c) 50% on submission of Final Report.

5.3 Bills shall be submitted by the consultant to the office of the C.E.O for payment duly supported by relevant documents as required by the C.E.O.

**6. Responsibility of the consultant**

The consultant shall carry out the study in a professional manner in keeping with internationally accepted standards using qualified and appropriate staff. They will endeavor to implement with diligence within the agreed time.

The consultant are to prepare and furnish the work programme for the assignment which is to be completed within 3 (three) months as stipulated.

**7. Responsibility of the Client**

For effective completion of the assignment, the consultants expect certain facilities from the client which are given below:-

- I. The Client shall arrange for necessary introduction letter and other formalities with all other connected department/ offices etc. to enable the consultants to collect data available elsewhere and to interact with such agencies, if need be, in connection with this study, if necessary.
- II. The Client will ensure the following for smooth progress of work:
  - (A) Inter-departmental co-operation and necessary documents (Forest, Agriculture, Rural Development, Revenue etc) in obtaining permits/ approvals/clearance etc.
  - (B) To nominate a nodal officer for liaisoning with the consultant.

**8. Responsibility for Accuracy of Project Proposals:**

The consultants shall be responsible for accuracy of all the data used in project preparation and the designs/drawings and estimates prepared by him as part of the project. Permanent location marks adequate for identification during execution shall be kept at the site at the cost of consultant. He shall indemnify the client against any inaccuracies in the work which might surface out at the time of ground implementation of the project. The consultant is responsible to correct the drawings including any re-surveys/investigations (including correcting the layout etc.) as required.

**9. Services and Facilities to be provided by the Govt.**

The Government will not provide any services and/or facilities to the appointed consultant during the phase of carrying out studies. The consultant will have to arrange all facilities/services required to carry out the assigned work on this project at their own cost. The financial proposal shall include all the required costs with breakups. However, introductory recommendation letters and Schedule of Rates shall be provided to the

consultants on request from concerned authorities. However, Government will not be bound to provide the facilities as required by the consultant.

#### **10. Reports**

The consultant shall furnish to the Client the following report and documents both in hard and soft copy. All reports and documents shall be in English.

- (i) Inception report 20 copies
- (ii) Draft report 20 copies
- (iii) Final report 20 copies

#### **11. Commencement and completion of work**

The date of commencement of work will be reckoned from the date of signing of the agreement. The actual working schedule will start immediately thereafter. The agreement shall be signed immediately after issue of order/ letter of acceptance. The overall duration of preparation and submission of DPR is within 3 (three) months only, as per the work programme attached.

#### **12. Extension of time**

If the work is extended beyond stipulated period for the reason beyond the control of the consultant, request for such extension with justification should be submitted to the client immediately on expiry of the time period as per agreement for consideration. Extension of time will be given to the consultant, but on permissible extension of time, the agreement rate cannot at any cost be revised or increased.

**13. Rate may be quoted for each unit of Detailed Project Report.**
